Description
Instructions:
Respond to each of the Critical Thinking questions on p... and then answer it. Answer each question in detail using correct grammar, spelling, punctuation, and capitalization. The questions assume you are running a restaurant. If you want to, you can also explain why you think that type of business would be successful. In your response to Question 1, also explain why you think this is an "online text" type of assignment. Create your response in one of four ways: ...
