

Changing due dates for common graded activities

Here are quick examples of where to set due dates for discussion forums, assignments, and quizzes. Access each type by clicking the **Edit settings** choice from the Edit drop-down menu to the right of each activity.

If you use rubrics for discussion forums, change this to “must not” after grading so students can view their graded rubric in Open Grader.

Discussion Forums

Restrict access

Access restrictions Student **must** match the following

Date until 2 October 2016 23 : 55

Add restriction...

Expect completed on

10 February 2019

23 55 Enable

Under the **Activity Completion** heading enable this so it will appear in the Deadlines area of the student's My Courses page.

Assignments

Availability

Allow submissions from 20 August 2016 06 15 Enable

Due date 2 October 2016 23 55 Enable

Cut-off date 2 October 2016 23 55 Enable

Always show description

Due date is what appears in the Deadlines area of the student's My Courses page. **Cut-off date** is when students can no longer submit the assignment.

Quizzes

Timing

Open the quiz 20 August 2016 06 22 Enable

Close the quiz 2 October 2016 23 55 Enable
