Chapter 4 Assignment 1

Description

This is an "online text" type of assignment where you will either type your responses at this link or type them first in a word processor.

**Instructions:**  
Answer the 4 questions in the textbook. In your response, type your answers in your own words.

As with all assignments, use your own wording in your response instead of copying/pasting from a website or using exact wording from the textbook. If you paraphrase, cite the source. If you use a direct quote, cite the source.
