

Common Quiz Issues for Instructor

Common Issues:

- Edit a quiz question after students have taken the quiz.
- See what answers students gave on each question.
- Give a student credit for a question that was marked wrong.
- Add comment to a student's answer to explain why his/her answer was wrong.
- See how much time a student spent answering each question or completing the quiz.

Solutions:

Step 1: Click on the quiz link on the course page.

With quiz selected, the Quiz administration menu appears when you click the gear icon.

Click **Results** to complete the tasks below.

Click **Review attempt** below the student's name to

- view all data about an individual student's quiz results
- add a comment about a specific answer
- override points earned on individual questions
- see how much time student spent on each question

Can see how much time students spent taking the quiz.
