

## Extend assignment due date for a student with a **User Override**

The **User overrides** feature works similarly with a **quiz**. You cannot extend the due date for a discussion forum unless you reopen it for the entire class.

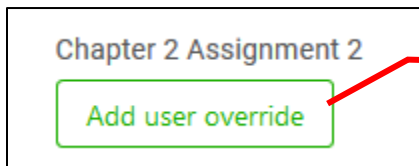

**Step 1:** Click the name of the assignment on the course page to open it.

**Step 2:** Click the gear icon to open the **Assignment administration** drop down menu.

**Step 3:** Click **User overrides**

**Step 4:** Click **Add user override**
