

Recommended but not required

If you want students to look through all of your Course Overview (*usually located in the Class Orientation section*) BEFORE they can see the actual contents of your course (*i.e. Unit 1, Unit 2, etc.*) use these instructions.

Introduction

1. Syllabus and Quick Links

Progress: 0 / 5

2. Class Orientation - due Wed., Jan. 27

Progress: 0 / 9

3. Unit 1: (Browsers, Operating Systems, File Management

More) - due Sun., Feb. 7

Conditional • Progress: 0 / 13

Click on the first actual course content unit in the CONTENTS area.

3. Unit 1: (Browsers, Operating Systems, File Management, and More) - due Sun., Feb. 7

⚠ Not available unless: The activity **Course Overview** is marked complete

If you see this comment, then you already have this access restriction set up.

Use this area to describe what this topic is about - with text, images, audio & video.

[Edit section](#)

If you need to set up the restriction, click here next.

Section name

Week 2: January 25

Summary

Rich text editor toolbar with options for Paragraph, Bold, Italic, Text color, Background color, Bulleted list, Numbered list, Indent, Outdent, Link, Unlink, Image, Video, Audio, Table, and more. Below the toolbar is a large text area for the summary content.

Restrict access

Expand all

Click **Restrict access**

Add restriction...

Activity completion	Require students to complete (or not complete) another activity.
Date	Prevent access until (or from) a specified date and time.
Grade	Require students to achieve a specified grade.
User profile	Control access based on fields within the student's profile.
Release code	This course item will not be available to students until the student acquires a specific release code.
Restriction set	Add a set of nested restrictions to apply complex logic.

Introduction

1. Syllabus and Quick Links
Progress: 0 / 5
2. Class Orientation - due Wed., Jan
Progress: 0 / 9
3. Unit 1: (Browsers, Operating Systems, File Management, and
More) - due Sun., Feb. 7
Conditional - Progress: 0 / 13

If you see conditional below the section name, you know the restrict access is set.

Repeat this process for each unit (except for the Syllabus and Quick Links and Class Orientation sections) to prevent students starting your course content before reading through your Course Overview.
