# Use Yuja to create or upload previously recorded videos:

The Yuja website is the college's main place for you to store your videos. You can also use Yuja to create your videos besides many other features.

1. Contact Will Thompson to obtain your login and password to Yuja.
2. Go to: https://clarendoncollege.yuja.com/

Click here to log in

Use the log in from Will to **Sign in**

For help in using Yuja to create videos and manage them, click here and select **Support**.

Then click **Product Docs**
