

How to your mobile device to access your Open LMS/Moodle course

To use your mobile device for a course using the Open LMS/Moodle platform (not LoudCloud), download the **Open LMS** App from the App Store or Google Play. When asked for the site name, type: **cctx.mrooms.net**

[Click here for more details.](#)

Exception: Most of your online courses require an actual computer to complete some activities, such as creating, uploading, or downloading certain types of documents for assignments.
